Re: MUR 7115

Mr. Jordan and Ms. Rawls:

In response to your letter that was date stamped 08/09/16, I called Mr. Jordan's phone number listed in the letter and left a message but have not heard back from him yet so we decided to send this correspondence.

Kevin Durken did write a check in the amount of \$906.25, dated 06/29/16, to the AJ Kern for Congress campaign, but he mistakenly wrote the check out of The Boot Shack checkbook rather than his personal account. John Kern called us and told us about the mistake and he is refunding The Boot Shack check and Kevin wrote a check to AJ Kern for Congress from his personal account. That is why the original check said "...to be refunded." John realized what happened and contacted us.

Please let us know if anything else needs to be done in regard to this matter.

Thank you.
